Mystery Box Unlocking Logic

The number of Mystery Boxes you can open is directly linked to the total USD value of ISPAY tokens staked in the Granary.

Example Scenario:

- You stake 10 ISPAY tokens
- Current value per ISPAY = \$200
- Total staking value = \$2,000
- Value per Mystery Box = \$100

Result: You can unlock and open **20 Mystery Boxes**.

Important Rules

- If Granary staking expires or is redeemed, Mystery Boxes cannot be unlocked.
- Active Granary deposit is mandatory to open Blind/Mystery Boxes.
- Re-depositing funds into the Granary restores unlocking capability.
